Beneficial owner

Step 7: add additional documents:

Files can be found in public business registry websites

usiness registration certificate/Excerpt from business registry (required) *				
Click here to choose a file (pdf)				
rticles of association				
Click here to choose a file (pdf)				
hareholder registry extract				
Click here to choose a file (pdf)				

Final step: click "Confirm business details"

After that our AML/KYC team will review the application and activate payments for your business. In case of additional information is needed, we will contact you directly.

After onboarding is completed, you need to create a store and generate API keys in the Montonio system.

When creating a store and generating keys please note that you are in a live Montonio environment. Environment change can be done by clicking the **profile**  $\rightarrow$  **change environment** buttons.

Switch between sandbox and production environments

Change environment
